We'll answer all of them we promise no matter what it is! Just tell us who your question is for and it will be answered!

Nightwing-

Question- How do you feel to the New 52 comics version of your costume?

Nightwing- It's actually comfortable but I do miss the blue somewhat.

Red Hood-

Question- If you could have any superpower what would it be?

Red Hood- What kind of question is that? Oh whatever I'd have the ability to be invisible. Well guess I am invisible already to my *so called family*.

Red Robin-

Question- How do you feel being the leader of the Teen Titans?

Red Robin- It's frustrating, no one listens half the time, and when they do they mess up. Well except Superboy. *leaves blushing*

Robin-

Question- What would you do if I called you Littlewing?

Robin- That is the most pathetic name who would ever think of such a thing!? *tt* If someone called me that I'd make sure they feel the worst pain I have the ability to inflict.

Nightwing-

Question- How fast can the Nightbird go? Can it go faster than the Batmobile?

Nightwing- *Looks around* Ok it actually can but I try my best to make it seem like it is the same speed as the Batmobile.

Red Robin-

Question- Hey Red Robin.

What are your feeling toward RedRobinxSuperboy???

Red Robin- *Shifts in chair* No comment *Blushes*

Nightwing and Red Hood-

Red Hood- No way! All I ever heard was how Nightwing would do it I was never good enough! Maybe thats why Batman did't avenge me I wasn't worth it.

Batman-

Question- Have you ever been to Bludhaven? If so do you like it?

Batman- Yes I have visited Bludhaven on occations. Bludhaven is another city that has it's demons and I wouldn't say I like it.

Nightwing- Well yes and no we are more like acquaintances Red Hood is more of a friend to him than I.

Red Robin- To H*ll with it! FINE I LIKE SUPERBOY HAPPY NOW?

Nightwing, Red Hood, Robin- Yes!

Batman-

Red Hood-

Question- Why do you like killing or tourturing?

Red Hood- I don't like it, it's whats needed in Gotham.

Asker- I meant which one?

Red Hood- I won't resort to torture unless it's the Joker. Killing just gets it over with. I wanted to die but the Joker wouldn't let me and it hurt so much. So I won't torture anyone.

Batman-

Question- Batman, Did you know that Joker was meant to think he was your lover?

And Batman, are you saying that if Red Robin and Superboy weren't to meant to be together, you wouldn't think it was wrong for you to have feelings for Superman?

Who leads the Justice League?

Batman- I think that Nightwing and Red Robin are equally qualified to lead the Teen Titans. I think that Nightwing would better lead Cyborg, Starfire, Beast Boy, and Raven better than Red Robin would. And Red Robin would lead his team better than Nightwing would. The Justice league it depends I come up with the plans and Superman leads them.

Batman-

Batman-

Question- If you have no favorite son/Robin why did you save Robin first? (In Death of the Family).

He so happens to be your biological son so, does that mean you care for him more? Hmm, hmmm? Back me up Superman you agree with me, right?

Batman- I care for all my sons the same. None are better than the other. Yes I went to my youngest first because he looked so scared, and if you didn't know this Robin isn't the one to show fear.

Superman- He's kinda got a point there. But you do seem to like Robin a bit more than the others.

Batman- *glares*

Superman- You're a great dad though. Better than I'll ever be...

I get many different comments.

My mind is never actually in the parties.

I am right handed.

Formal wear is normal for me.

Apples.

I am aware and I keep an eye on them just in case.

I don't read tabloids.

Nightwing-

I'm very untidy.

Uhhh *blushes* my ass.

The champagne got me through the parties mostly.

Pencils!

The Fox and the Hound.

I don't get complements.

I don't go to those stupid parties anymore.

Pencils.

No time for movies but my favorite before I died was *Robin Hood*.

No thanks don't want to say.

Apples.

I knew and I don't like it but Father told me to leave it be.

Tabloids? What is that?

Batman-

Question- Who's richer, you or Green Arrow.

Batman- I am.

(And again this was asked by OverCaffinated Moose Only apparently her name is invalid.)

Superman-

Question-

-what do you do when you're bored?

-do you prefer Lois Lane or Wonder Woman?

-who would you like to play you in Man of Steel?

Superman- When I'm bored I enjoy using my powers to mess with people at the office, not that often though.

I don't know. I love Lois though Wonder Woman gets a lot about what I'm going through. It's something I don't think Lois will ever know. On the other hand though Wonder Woman is a bit to head strong and won't let me use the manners I was taught by my ma.

I personally think that Tom Welling was able to bring out my personality the best in smallville. So *my* first choice would be Tom Welling.
